Fertility treatment benefits are here for you

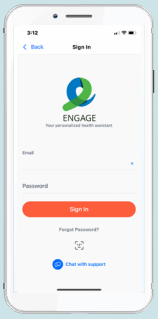
If you are trying to become pregnant, Marvell is offering fertility treatment benefits. They are covered in your company's health plan.

What your benefits provide

The following services are covered when you receive care from a doctor to diagnose and treat fertility:

- Examinations
- Diagnostic tests and work-ups
- Medications administered in a doctor's office
- Reconstructive surgery, except for sterilization reversal
- Artificial insemination
- Supplies and appliances
- In vitro fertilization, GIFT (gamete intrafallopian transfer), ZIFT (zygote intra-fallopian transfer)
- Cryopreservation of embryos from covered retrieval cycles limited to one year while undergoing reproductive assistance

***Effective 7/1/2022, an infertility diagnosis is no longer required for Marvell Anthem members accessing reproductive assistance.**



Fertility treatment benefits

Fertility Benefits Include:

- Two-cycle fertility treatment benefit
- $10,000 per lifetime for fertility medications

Members can find quality doctors who have received **Anthem's Blue Distinction Specialty Care Designation for Fertility Services** when searching for care through the **Engage Wellbeing app** or **anthem.com/ca**.
