Services	Cost Sharing and Office Visit Maximums
Chiropractic Services are covered when provided by a Participating Provider and Medically Necessary to treat or diagnose Neuromusculoskeletal Disorders. Acupuncture Services are covered when a Participating Provider finds that the Services are Medically Necessary to treat or diagnose Neuromusculoskeletal Disorders, nausea, or pain. You can obtain Services from any ASH Plans Participating Providers without a referral from a Kaiser Permanente Plan Physician.	Office visit cost share: \$15 copay per visit Office visit limit: Up to 30 medically necessary, unshared Chiropractic and Acupuncture visits per year Chiropractic appliance benefit: If the amount of the appliance in the ASH Plans fee schedule exceeds \$50, you will pay the amount in excess of \$50, and that payment will not apply toward the Plan Deductible or Plan Out-of-Pocket Maximum. Covered chiropractic appliances are limited to: elbow supports, back supports, cervical collars, cervical pillows, heel lifts, hot or cold packs, lumbar braces and supports, lumbar cushions, orthotics, wrist supports, rib belts, home traction units, ankles braces, knee braces, rib supports, and wrist braces.

Office visits: Covered Services are limited to Medically Necessary Chiropractic and Acupuncture Services authorized and provided by ASH Plans Participating Providers except for the initial examination, emergency and urgent Chiropractic and Acupuncture Services, and Services that are not available from Participating Providers or other licensed providers with which ASH contracts to provide covered care. Each office visit counts toward any visit limit, if applicable, even if acupuncture or a chiropractic adjustment is not provided during the visit.

X-rays and laboratory tests: Medically Necessary X-rays and laboratory tests are covered at no charge when prescribed as part of covered chiropractic care and a Participating Provider provides the Services or refers you to another licensed provider with which ASH contracts for the Services.

Participating Providers

ASH Plans contracts with Participating Providers and other licensed providers to provide covered Chiropractic Services (including laboratory tests, X-rays, and chiropractic appliances). ASH Plans contracts with Participating Providers to provide acupuncture care (including adjunctive therapies, such as acupressure, moxibustion, or breathing techniques, when provided during the same course of treatment and in conjunction with acupuncture). You must receive covered Services from a Participating Provider or another licensed provider with which ASH contracts, except for Emergency Chiropractic Services, Emergency Acupuncture Services, Urgent Chiropractic Services, and Urgent Acupuncture Services, and Services that are not available from Participating Providers or other licensed providers with which ASH contracts to provide covered Services that are authorized in advance by ASH Plans. The list of Participating Providers is available on the ASH Plans website at ashlink.com/ash/kp or from the ASH Plans Customer Service Department at **1-800-678-9133**. The list of Participating Providers is subject to change at any time without notice.

How to Obtain Covered Services

To obtain covered Services, call a Participating Provider to schedule an initial examination. If additional Services are required, verification that the Services are Medically Necessary may be required. Your Participating Provider will request any medical necessity determinations. An ASH Plan's clinician in the same or similar specialty as the provider of Services under review will decide whether Services are or were Medically Necessary. ASH Plans will disclose to you, upon request, the written criteria it uses to make the decision to authorize, modify, delay, or deny a request for authorization. If you have questions or concerns, please contact the ASH Plans Customer Service Department.

Second Opinions

You may request a second opinion in regard to covered Services by contacting another Participating Provider. A Participating Provider may also request a second opinion in regard to covered Services by referring you to another Participating Provider in the same or similar specialty.

Your Costs

When you receive covered Services, you must pay your Cost Share as described in the *Combined Chiropractic and Acupuncture Services Amendment* of your Health Plan *Evidence of Coverage*. The Cost Share does not apply toward the Plan Out-of-Pocket Maximum described in the Health Plan *Evidence of Coverage* (unless you have a plan with an HSA option).

Emergency and Urgent Chiropractic and Acupuncture Services

We cover Emergency Chiropractic Services, Emergency Acupuncture Services, Urgent Chiropractic Services, and Urgent Acupuncture Services provided by both Participating Providers and Non-Participating Providers. We do not cover follow-up or continuing care from a Non-Participating Provider unless ASH Plans has authorized the services in advance. Also, we do not cover services from a Non-Participating Provider that ASH Plans determines are not Emergency Chiropractic Services, Emergency Acupuncture Services, Urgent Chiropractic Services, or Urgent Acupuncture Services.

Getting Assistance
